Embassy in Brazil

COMMUNIQUÉ

The Embassy of the Republic of Cameroon in the Federative Republic of Brazil informs the public of the implementation, in the coming days, of a new production system for biometric passports in Cameroon.

In this regard, the Embassy will stop, as from June 15, 2021, the enrolment operations (personal data collection) for the issuance of passports under the current system, and the transmission of applications already registered to the General Delegation for National Security (GDNS), will be done no later than June 30, 2021.

The Embassy will provide further information on the new production system in due course.

Brasilia, 11th June, 2021

The Ambassador,

Martin A. MBENG
