## COMMUNIQUE

The Ambassador Extraordinary and Plenipotentiary of the Republic of Cameroon to Brazil, informs applicants of the Cameroon visa that, in order to align with the recommendations of the WHO and with the requirements already in place in many countries, the relevant Authorities of Cameroon have decided that:

- 1) For travellers to enter Cameroon, they must present a **PCR negative test dated not more than 72 hours or prove that they are fully vaccinated.**
- 2) PCR tests will no longer be systematic when leaving Cameroon but will be required depending on the country of destination.

Done in Brasilia, 14 October 2022.

The Ambassador,

Martin A. MBENG
