COMMUNIQUÉ

The Ambassador Extraordinary and Plenipotentiary of the Republic of Cameroon to the Federative Republic of Brazil, **H.E. Martin A. MBENG**, hereby informs all Cameroonians resident in South America and all those who intend to travel to Cameroon, that the payment for COVID-19 PCR tests is thirty thousand (30,000 FCFA).

The measure was enshrined by Ordinance n° 2022/001 of June 02, 2022, with effect from June 15, 2022. The payment could be made through the platform for the dematerialization of public revenue from the Ministry of Finance, at the following address: <https://tresorpublic.cm>.

The payment could also be made at the physical payment sites at the National Public Health Laboratory in Yaoundé, the Laquintinie Hospital in Douala, and the Garoua Regional Hospital Center. The establishment of other physical payment sites is imminent in the city of Bafoussam, as well as in all the Health Posts at the Frontiers.

The enrolment process on this platform will enable users to generate a unique code and a payment receipt that they should present to the network of laboratories accredited to realize Covid-19 PCR tests in Cameroon. At the end of the process, the results will be systematically checked at the Health Post at the Frontiers before boarding.

The green number "1510" is available, for all inquiries.

The Ambassador thanks you for your cooperation. /-
