Embassy in Brazil

COMMUNIQUE

The Embassy of the Republic of Cameroon to the Federative Republic of Brazil here by informs the public of temporary measures, taken as a result of the evolution of the coronavirus

- Visa and Laissez-Passer applicants are henceforth required to present a clearance certificate, issued by a designated authority to certify that he/she has been duly tested of the coronavirus (the test must be negative).
- All consular files must be sent by post office, or through the Embassy's email address below. This measure, for now, is not relevant to passport applicants, whose physical presence is an imperative condition to obtain applicant's personal data, which will systematically be done by appointment.
