COMMUNIQUÉ

I have the honour to inform all Cameroonians resident in South America that Elections Cameroon, the organ responsible for the organization and supervision of the electoral process in Cameroon, in accordance with the current electoral law in Cameroon has, since the 2nd of January 2019, reopened the electoral register for registration.

Also, I wish to indicate that all the competent organs at the Embassy are available to receive those Cameroonian Compatriots who intend to take part in this registration process. The preconditions for registration include: the presentation of a document attesting Cameroonian nationality and proof of non-acquisition of another nationality.

Compatriots who are already holders of a voter's card but are not registered on the Electoral list of Brazil should bring a photocopy of this card to the Embassy in order to update their information and for the issuance of a new voter's card.
